

Course Approval

Outgoing students will need to research courses they wish to take at their host university. To be registered as a full time student during your exchange term(s), students must have at least the equivalent of four or more McMaster courses (12 or more McMaster credits). Below is a list of credit transfers,

EUROPE	60 ECTS = 30 MCMASTER CREDITS
UK	120 CATS= 30 MCMASTER CREDITS
AUSTRALIA/NEW ZEALAND	60 points = 15 MCMASTER CREDITS
SINGAPORE	4 courses = 15 units, 3 courses = 12 units
CHINA	1 course= 3 units, 4 courses = 12 units

A list of pre-approved courses will be made available on the website. However, if there is a course of interest outside of this list, you can request to have a course approved.

To get a course approved, a student will need to submit a course outline of the desired course. This outline **must** contain;

- Course objective
- Instructor and contact information
- Course elements
- Course description
- Required course material and reading
- Evaluation
- Components and weights
- (Do not submit course links)

i.e. **Global Contexts of Business and Management** is equivalent to **Commerce 4SA3**

Once submitted by email, BizX will forward this request to the academic chair of that specific area. Typically, a request may take up to 10 business days to be approved.
