NAGOYA UNIVERSITY OF COMMERCE & BUSINESS

The Nisshin Campus opened in 1968, fifteen years after the formal establishment of NUCB. Nisshin, located just east of the city of Nagoya, sets a rural backdrop for the undergraduate campus. NUCB offers an all English-speaking program through its faculties called the Global Leadership Program (GLP). It is one of the largest English-taught business programs in Japan. As part of the program, students are able to select between twenty and twenty-five courses from various business topics to liberal arts studies including Japanese culture and history.

The goal of our program is to cultivate highly skilled professionals who possess a global perspective, a strong sense of ethics, and the ability to contribute positively to the international business community.
