Undergraduate - The majority of the student’s course selection must be from the Faculty of Business and Economics.

For course catalog, please visit:

The link above shows all courses available to incoming exchange students. Course selection for the first semester begins in July/August with an online enrollment process. Online enrollment for the second semester takes place in January. There will be a modification period of course selections in the beginning of each semester.

Full time studies at the University of Barcelona equates to 30 ECTS credits per semester, which imply 5 courses per semester.

The language of instruction at the Faculty of Economics and Business varies between Catalan, English and Spanish. Normally, there are available minimum one group in Catalan and one group in Spanish for each subject. Courses marked by an asterisk in the link above, have at least one group for which the language of instruction is English.
